Help us share critical training information
If you know a new clerk or finance officer in a nearby community, please contact Susan Maxwell at smaxwell@uga.edu so that we can make sure they receive this important training information.

The Georgia County Clerk’s Association (GCCA) was organized nearly 50 years ago to create a coordinated interest among County Clerks and their Boards of Commissioners in county affairs, and to promote the welfare of county government in general.

It is the goal of the organization to better acquaint the general public with difficulties faced in efforts to provide government services at the local level. Likewise, the association seeks the cooperation of every county and state official, as well as residents of Georgia, in efforts to provide methods that will enable them to meet the new challenges and demands placed on county governments. To learn more about GCCA, visit www.georgiacca.com.

The Georgia Municipal Clerks and Finance Officers Association (GMC/FOA) is a professional association comprised of people just like you—City Clerks and Finance Officers—from all across Georgia. Founded in 1956 in Athens, Georgia, GMC/FOA has 49 years of experience improving the professionalism and education of City Clerks and Finance Officers. GMC/FOA has grown to exceed 500 members representing small and large municipalities.

The purpose of GMC/FOA is to promote professionalism, integrity, and excellence in the Office of the Clerk and Finance Officer by providing educational training opportunities and professional development, exchanging ideas and experiences, to strengthen and support its Membership, and to enhance its image. To learn more about GMC/FOA, visit www.gmcfoa.com.
